### ***History of the St. Luke's Lecture***

The Saint Luke's Lecture is sponsored by the Academy and Saint Luke's Radiation Oncology Network. The lecture is based on work carried out in the field of oncology and is delivered in January of each year. The lecturer is selected by an Academy/Saint Luke's committee and receives a silver medal.

The Academy also presents the **Annual Graves Lecture**, which takes place in **May 2014**. Further details will be made available on [www.rami.ie](http://www.rami.ie)
