

Modernising Complete Dentures with the Digital Workflow

Dr Gabrielle O'Donoghue

BSc BDS MFDS RCSI DChDent (Pros) FFD RCSI (Pros)

Practice Limited to Prosthodontics and Implant Dentistry

Dr. Gabrielle O'Donoghue graduated with first class honours in Dentistry from Cork University Dental School in 2016. She practiced as a general dental practitioner in Australia, returning to Ireland to take a Senior House Officer position at the Dublin Dental University Hospital. She completed a Postgraduate Diploma in Teaching and Learning in Higher Education before commencing a full-time Doctorate in Clinical Dentistry in Prosthodontics through Trinity College Dublin. Dr. O'Donoghue became a Fellow of the Royal College of Surgeons Ireland in Prosthodontics in 2022.

Dr O'Donoghue has presented both nationally and internationally on a wide variety of topics related to fixed and removable prosthodontics, particularly digital dentistry, and has authored several publications in the scientific literature. Dr. O'Donoghue maintains a private practice position at South East Dental Solutions, Waterford, and a part-time teaching position at the Dublin Dental University Hospital. In this lecture, the use of digital techniques and CAD/CAM for contemporary complete dentures will be explored.
