Teeth to Full Arch Implant Prosthetics: A Step-by-Step Journey

Dr. Shkre Agkhre

BDS, DipPCD MFDS MSc, DChDent (Pros) FFD RCSI
Practice Limited to Prosthodontics and Implant Dentistry

Dr. Agkhre received his honours undergraduate degree from the prestigious University of Benghazi in 2010. After spending several years as a general dentist in Libya, he received his Masters in Dental Public Health from University College Cork in 2017. He then obtained a Doctorate in Prosthodontics from Trinity College Dublin in 2020. In 2021, Dr. Agkhre became a Fellow of the Royal College of Surgeons Ireland in Prosthodontics.

Dr. Agkhre is a member of multiple dental organisations including the European Prosthodontic Association. He maintains a position in private practice with O'Brien, Molloy, Delaney Periodontics, Galway, Keystones Periodontics, Longford, and Smiles Dental. He provides treatments for all areas of fixed, removable and implant prosthodontics, using conventional and digital workflows. Dr. Agkhre holds a part-time teaching position at the Dublin Dental University Hospital.
