*Professor Kevin Carson, President of the Royal
Academy of Medicine in Ireland, invites you to the
2nd RAMI Presidential Lecture*

*The Academy has been in existence since 1882. The primary role
of the Academy is that of providing a forum for the exchange of
scientific information and to promote academic discussion, so
essential to scientific progress.*

*The Academy consists of more than twenty Sections, which cover the
full range of medical specialties.*

*The Irish Journal of Medical Science is the official organ of the
Royal Academy of Medicine in Ireland. The first issue of the journal
was in March 1832, when it was called 'The Dublin Journal of
Medical and Chemical Science'.*

Professor Kevin Carson
President of RAMI

Dr. Patrick O'Sullivan
General Secretary/Treasurer of RAMI

7:00pm
